Parking Information: (PLEASE SEE ATTACHED PARKING MAP)

There is NO PARKING AT THE GOLF COURSE ITSELF unless you are utilizing a handicap spot. There will be two entrances open to St. Leo University directing you where to park. Parking here will require pedestrians to cross S.R. 52 at the traffic light/pedestrian crosswalk.

For teams with buses the entrance by Snyder Hall should be utilized. From there, travel down the service road (Abbey Road) that is directly next to S.R. 52. Then stop in front of the technology services building to drop off team and gear. From that point, teams will walk across 52. The bus should proceed through the roundabout to park near the baseball & softball fields.

-Multiple EMS Units on site

-Multiple athletic trainers available from both St. Leo and Wiregrass Ranch

-Trainers are not there to tape athletes, if specific assistance is needed, please email [Jessica.myers02@saintleo.edu](mailto:Jessica.myers02@saintleo.edu) in advance
